SP's Rules and Conditions for Re-Distribution of Manga:

The following is a fan-made translation. All rights of this manga/light novel/movies belong to their respective author/artist/publisher. We do not own anything apart from the translations. Please support the original creators by buying the original copy.

Also please follow these simple rules of our group:

1. Do not remove/delete/change our credits or insert any of your own.
2. Never re-distribute any of our works to other sites. We will do it ourselves.
3. Do not in anyway make money out of our translation. (ex. Printing or Selling links)
4. If this title gets an official English translation, we will stop distribution right away.
5. If there is a group that wishes to re-translate this manga, we go by a "first come first serve" basis. We cannot accept two groups to re-translating the same series with the same language. We, however, accept different re-translations of the same book but in a different language.

If you do not follow these simple conditions, we will cease distributions right away.
